SANJIT & JETINDER

“The IXL Events Centre, Dallas Burston Polo Club is a breathtakingly beautiful venue - with large landscaped grounds as a perfect backdrop for photos, and a large indoor gallery makes for a perfect wedding reception. You have been so attentive throughout our wedding planning process, helping us plan the details of our reception and organising a food tasting for us to ensure that we had the perfect menu at our wedding! Our guests were stunned with the production lighting, as well as the grand entrance reveal at the start of the evening and the entire reception was a memorable one for us, our family and our guests!”

SUBI & SANDEEP

“Genuinely, it has been beyond what we thought it would have been, you plan and plan and everyone has been so great with us. Food has been amazing throughout the day and the team here have gone above and beyond and have done things that we would not have expect anyone to do and they have made our wedding really special! Everyone at Sanjay Foods and IXL really helped us out, we had to postpone a couple of times with many people, and they have honestly gone above and beyond of what we can ask. Genuinely we could not say anymore really, I think it is impossible to say anymore words for it really, everyone loved the food, and it was delicious. Thank you all, we do appreciate it.”
